Acknowledgement

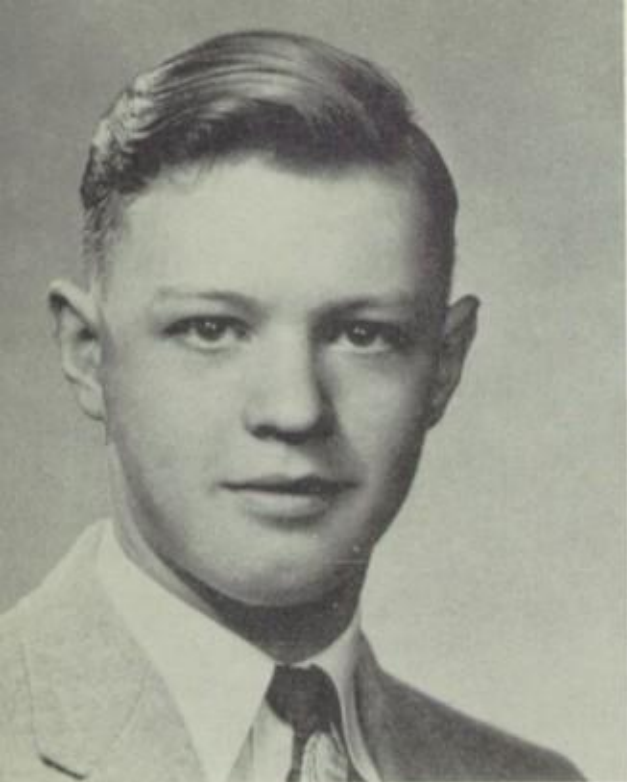

We, of the Annual Staff, wish to express our sincere appreciation to all those who have helped make this CARDINAL a yearbook to be remembered. We wish to extend our special gratitude to the Harmony businessmen who supported our annual so generously through advertising; Mr. Randall; Ellickson Studio; W. A. Fisher Company; and to our advisor, Mr. Eiffler. A sincere thank you to everyone from the 1955-56 CARDINAL Staff.

Dedication

We, the 1955-56 CARDINAL Staff, dedicate this yearbook to you, the seniors, in hopes that these halls of learning will remain a symbol of the best days of your lives—carefree days when you were free from major responsibilities. May it bring back cherished memories of the classroom where you conversed, laughed, and studied together, and may it remain a constant reminder of all the joys and sorrows that accompanied you during your school years. In it are memories of past happenings which will, we hope, forever remain dear to you. As you journey on the road ahead, may this CARDINAL become a treasured book filled with "Moments to Remember."

We have worked hard on our annual this year because we wish to publish the best "memory book" possible for the students of Harmony High School. Although few of us have had the direct pleasure of putting it out, all of you will join in the pleasure of having one.

Ellickson's Studio in La Crosse has photographed the individual pictures and the large groups; while Mr. Randall, with the assistance of several students, captured many of the informal shots you see in this book.

It is the sincere wish of the 1956 CARDINAL Staff that you cherish and enjoy this book for many years to come.

Editor Nacia Johnson with the advice and assistance of the advisor, Mr. Eiffler, chose the staff at the beginning of the school year and supervised the production of the CARDEON. The job was a difficult one; however, the staff did an excellent job of providing one of the best papers in years.

Approximately half of the staff was composed of reporters whose job was to see that the unusual daily happenings or the numerous other bits of news were written. The rest of the staff included stencilists, mimeographers, artists, typists, and proofreaders. The 1955-56 CARDEON ably served as an excellent medium of knowledge, discussion, evaluation and publicity.

"The Fury Within"

The senior class play, a three-act mystery entitled "The Fury Within", was presented under the direction of Mr. Robert Anderson on May 17th and 18th.

The story of the play concerns the efforts of an old maid piano teacher to get even with her sister-in-law for taking her beloved younger brother away from her, while at the same time the scheming woman tries to prevent the marriage of her young nephew to a wealthy girl so that she will not be left alone again.

The two main characters were Vrona Kemp, a spinster piano teacher, played by Kathryn Armstrong; and Dorothy Kemp, her sister-in-law, played by Emily Todd. The remainder of the cast were as follows: Evan, Dorothy's son, Garren Benson; Gail Lambert, Evan's intended wife, La Rita Trouten; Selma Millard, Evan's ex-sweetheart, Lorraine Manning; Charley Millard, Selma's older brother, Jerry Scrabeck; Phyllis Calvert, one of Vrona's pupils, Daryl Bergey; Bobby Adams, Phyllis' boy friend, Roger Scrabeck; Madge Benham, an old friend of Vrona's, Patricia Buchholtz; Barbara Elliot, a young nurse, Barbara Johnson; and Dr. Robb, John Young.

"Deadly Ernest"

The junior class play, a three act comedy entitled "Deadly Ernest", was presented under the able direction of Mr. Robert Anderson on November 18, 1955.

The play opens as Henry Gilcrest is jilted by his girl, violently removed from his room at his Aunt Ethel's Boarding House and is discharged from his job. As a result, Henry feels that fate is against him and that there is no purpose in life. Unhappy and discouraged, Henry takes a walk in the park and meets Mr. Bumpus who arranges for a man called Ernest to put Henry out of his misery.

When he gets back home, he finds that his girl wants to make up, his Aunt wants him to stay in his room, and his boss has rehired him. He thinks his worries are over but finds they are just beginning when he remembers his deal with Mr. Bumpus. As the plot develops, Henry meets several innocent men who happen to be named "Ernest". The results are rockingly hilarious as the "Ernest's" chase Henry to a happy ending. The cast is as follows:

To the Class of 1956

You are approaching the moment of departure from this school. Hereafter, when you see the buildings at Harmony, instead of saying, "That's where I go to school," you'll be saying, "That's where I went to school." I wonder how you'll remember the Harmony school in after years. I hope it will be with pleasant recollections of truths learned, friends gained and satisfactions honestly earned. I extend to each of you congratulations and friendly wishes for future success. Yours is the class that perpetuates the traditions of '56. Harmony will need and appreciate your loyal support as adult citizens.
